SAAC-51 DETAILS

INFORMATION - Bulletin #3

We are going to keep the Convention details flowing to you by email, as they become known to us.

This convention will have some differences from past events.

By joining MCA, we have planned a huge, gala affair that will be bigger than most recent conventions.

SAAC 51 Registration is now closed to pre-register your vehicle and for pre-sale merchandise. The event is open to spectators, so if you know anyone who missed the deadline, let them know.. The spectator cost is \$20 per person per day or \$50 per person for a weekend pass. Tell them to be sure to enter the

spectator lane when entering the track so that they can pay and do not have a delay. Our Saturday Social event is still open so anyone can attend and pay at the gate. See you soon!

Here is some KEY Track Info...

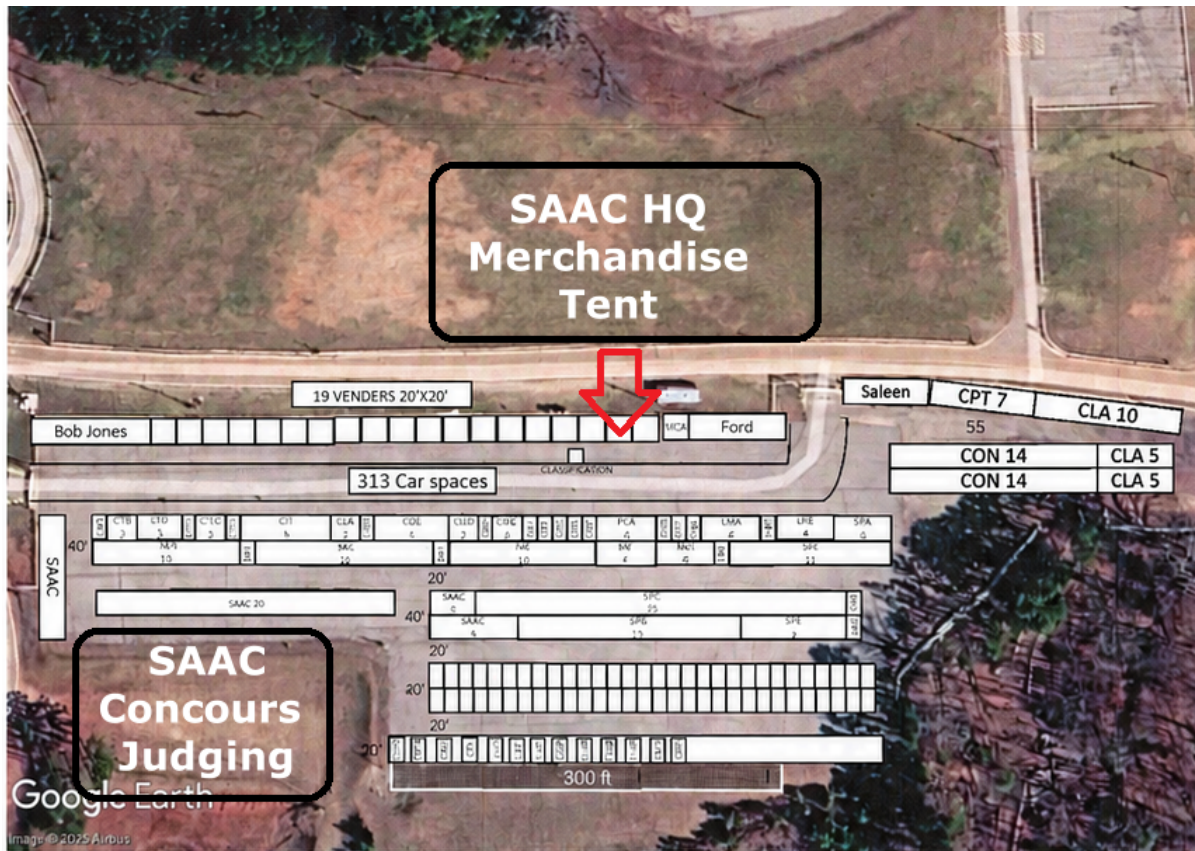

Important Details-

We advise you to print a copy for your arrival. This data will also be in our Convention Guide. Follow the arrows for insight to Traffic Flow once inside the Track. If you leave your trailer in one of the Trailer Parking areas... **FOLLOW the YELLOW** return path to get back to the Paddock or the Show Field. This will avoid any snarls on the return trip.

We are going to need more help!

Calling all members... This track is very large and we are going to need a team of helpers that can work a few hours on any of the days... working the front gate, directing incoming traffic, helping at the Saturday Social or the Sunday Car Show and filling in where help is needed. It might be only for a few hours, on any and all days... every bit helps.

Contact pitcrew@saac.com Place "SAAC-51 Volunteer" in the subject line, and tell us when you might be available.

We're so grateful to have you with us at SAAC-51 and are excited for what's ahead. Be on the look-out for bulletins in the coming days
