SAAC-51 DETAILS

INFORMATION - Bulletin #4

We are going to keep the Convention details flowing to you by email, as they become known to us.

This convention will have some differences from past events.

By joining MCA, we have planned a huge, gala affair that will be bigger than most recent conventions.

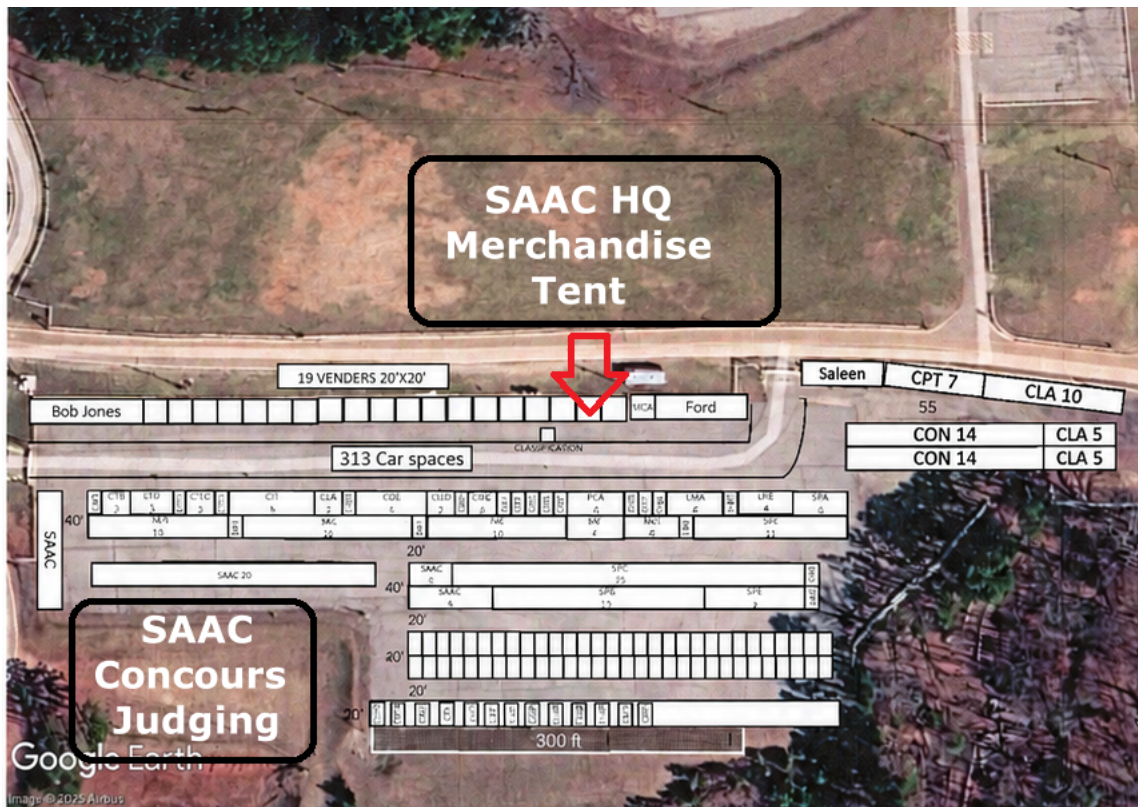

Hi Ron,

Here are the latest news and tidbits that you need to know for SAAC-51

Here is some KEY SAAC Info...

Plan Your Arrival-

There will be no SAAC Registration presence at the Main Gate. Be sure to locate and visit the SAAC HQ / Merchandise Tent. Besides giving us the opportunity to say "Hello," ... this is where you will retrieve your Packet and claim your pre-ordered goodies. SAAC HQ is along the main boulevard between the Show Fields. If you ordered shirts and hats, please try to pick them up early. If you are looking to buy an event shirt, try and get there soon...no matter how hard we try and plan, we often run out of popular sizes early in the weekend

How To Enter the Track...

The first time you enter the track...TWO things will happen: You will be identified and given credentials, and you will sign a Track Waiver.

The entrance will be divided into THREE lanes; you will choose a lane based upon your status. It is always wise to bring a copy of your online Registration, even though Gate officials will have lists to check status.

- Open Track and Show Cars with trailers will use the Far Left Lane to enter, signing a waiver and proceeding to Parking.
- Registered Show Cars will use the Center lane to be given credentials and sign the waiver
- General Admission (all non-prepaid guests) will use the Far-Right lane to pay the Gate Fee, sign the waiver and receive the wristband.

Dinner Details...

For our lucky guests who have procured tickets to our sold-out Dinner and Evening Program, here are some details.

The cash bars will be located inside the Ballroom, so the Cocktail Hour will be in the same area as the Dinner. This means only ticket holders will be permitted to attend.

We are at full capacity for the venue. As such, we cannot permit entrance to the ballroom (as in the past) for standing-room viewing of the Evening Program. We are sorry, but this is at the direction of the Fire Marshall.

We have been asked if there is a dress code for dinner... this is not a formal affair, be comfortable in resort casual dress for the evening.

Loose tidbits...

The Saturday Sunset Social at the Panoz Museum can still be booked in the SAAC Online Store, or [contact_pitcrew@saac.com](mailto:pitcrew@saac.com) Admission can also be arranged at the Museum at the night of the event. Food, drink and good friends... plus a pop-up Car Show. Definitely a Saturday night delight.
